

DPD 2/31-62
COPY 1 OF 2

Joe

March 26, 1962
TG-M-385

Wendell:

In accordance with Clause 24 of the General Provisions of the subject contract, we are furnishing a copy of a proposed patent application covering a heat insulating window for your determination as to whether or not this application should be placed under an order of secrecy.

If we do not hear from you to the contrary within thirty (30) days, per instructions in Clause 24a, we will file the application.

Regards,

25X1A

[Redacted]

on 9 July since

Discussed this further with [Redacted] no procedure has been established for filing "Secret", Patent Office to date, and some time for filing is about to expire. It was agreed that the names in which the application is to be filed are to be disclosed. It was felt initially that in view of our investment

in this development it should not be made public
info for everyone. Passed to [REDACTED] 9 July
by phone.
